PIKES PEAK CHAPTER ASHRAE NEWSLETTER

PRESIDENT'S MESSAGE

by Jarett Dollyhigh

First off I would like to remind you that since we had the great "phantom snow storm" of April 23rd and we were forced to cancel our "Green Seminar" that we have since rescheduled it. As you may or may not know the seminar will be held next Wednesday the 16th of June. The seminar will have pretty much the same schedule as before with a few differences. To review the line up for next Wednesday, please review the schedule for the seminar on our website.

Next, it seems that once summer gets here it is just a matter of time before ASHRAE Region IX Chapter Regional Conference (CRC) is held. This years CRC will be held at the Sheraton in Old Town in Albuquerque, NM on August 11, 12, 13, & 14th. The New Mexico Chapter has setup an excellent program that I think anyone would get some usefully information out of. The CRC does require a registration form to be filled out and a fee to be paid. The registration fee for early bid is \$190/each and anyone that registers after July 15th will have to pay \$200.00/each. For further details and to get an agenda please contact any of the current Officers within the Chapter. [read more](#)

The tournament was a huge success for the chapter as we exceeded our goal, making approximately \$1,300.00 for the chapter.

The comments were that all had a great time. Thanks again and we look forward to seeing all at the Fall Golf Tournament!
