PIKES PEAK CHAPTER ASHRAE NEWSLETTER

<http://www.pikespeakashrae.org/>

PRESIDENT'S MESSAGE

by Jarett Dollyhigh

Well it is 2004 and looking back I would like to thank all members who attended the trip to Nixon Power Plant as well as those who attended the Annual Christmas party. On behalf of Pikes Peak ASHRAE, I would like to thank those of you that put together both activities and a personal thanks goes to Jim Cain for all his hard work. Looking forward it seems that this upcoming lunch meeting topic should be of interest to all of us. Our guest speaker this month will be.. [read more](#)

HVAC to the Basics

This is the third article in a series, updated monthly, to discuss briefly some of the basic principles of HVAC.

So far we've looked at HVAC as the method of providing thermal comfort along with the general fundamentals of how heat is transferred to provide thermal comfort. Another basic concept we need to address is that of pressure. It is a natural law surrounding pressure – or better yet, differential pressure [read more](#)

Upcoming Golf Events.....

Ron Riggs and Coy Brandenburg are currently working on our SPRING GOLF

TOURNAMENT! Look for the sign up sheet in February. The event will be held at Walking Stick Golf Club in Pueblo or Hollydot Golf Club in Colorado City. We look forward to seeing everyone there!!! Email us and tell us your preference!!!
