PRESIDENT'S MESSAGE

by John Reis

Welcome to a new year! As we start a new year, I would like to look back upon the year past and forward to this year. We had a great year and I am certainly looking forward to another.

I would like to thank Jarett Dollyhigh for an incredible job as the President of the Pikes Peak Chapter for 2003 – 2004. The lunch programs may have been the best in recent history, the Chapter successfully held two golf tournaments and a LEEDS / Green Building technical seminar. Finally, the Chapter 'squared away' our financial situation, a continuing progress started by another great Past President, Stephen Roitsch.

I would also like to thank the numerous volunteers who sat on committees or the Board of Governors (BOG). Without these volunteers, our Chapter would not function. Although too numerous to mention in this brief message, I would like to personally thank each and every one of you! [read more](#)

Fall Golf Tournament Wrap Up

by Coy Brandenburg

Thanks to all who attended the Tournament! What a day! Great weather...great golf and

a beautiful setting. We could have done without the free wind!

The tournament was a huge success for the chapter as we exceeded our goal, making approximately \$4,300.00 for the chapter and over \$5,000 for ASHRAE Research!!!

The comments were that all had a great time. Thanks again and we look forward to seeing all next year!!!!
