# PIKES PEAK CHAPTER ASHRAE NEWSLETTER

<http://www.pikespeakashrae.net/>

## PRESIDENT'S MESSAGE

By John Reis

Happy Holidays from Pikes Peak ASHRAE! As many of you know, we held our annual holiday party on the 2<sup>nd</sup> of December. With a potluck dinner and a crowd of about 30, we all had a great time. I would like to extend many thanks to the following individuals who setup and organized this years' party:

Jim and Paula Cain  
Bob and Diane Cleaver  
Roy and Sherry Neese  
Ron and Sandy Riggs

This month, we do not have a lunch meeting. We will, however, have an ASHRAE meeting in January. Tim McNulty will speak on Gas Appliance Ventilation. More to come next month!

January's meeting will again be held at Giuseppe's Old Depot Restaurant, located at 10 S. Sierra Madre on 20 January 2004 at 11:30. Please RSVP to Neil Case via email at [Programs@pikespeakashrae.net](mailto:Programs@pikespeakashrae.net)

I would like also like to thank Bob Croft for joining us in November. Mr. Croft again represented Pikes Peak Regional to discuss the schedule for adoption of the new codes in early 2005 and keep us up to date with the pertinent building code changes. Mr. Croft also encouraged ASHRAE activity and involvement in adoption or adaptation of Addendum 62n,

which the chapter is actively pursuing. Thank you Bob!

As an added benefit to our members and professional community, we will provide our members with an avenue to communicate with ACCA, or Affiliated Commercial Construction Associations. This organization is comprised of twelve local professional groups and provides one voice to government agencies involved with the development, review, approval and inspection processes. Shortly, members will be able to view ACCA meeting minute the Pikes Peak Chapter website ([pikespeakashrae.net](http://pikespeakashrae.net)) and email directly to ACCA with this address: [acca@pikespeakashrae.net](mailto:acca@pikespeakashrae.net)

Have a safe and joyous holiday season!
