

Farnsworth Group, Inc. is a full-service engineering and architectural firm that offers our valued clients over 300 employees located in a nationwide network of offices. We are also one of the nation's leaders in sustainable design initiatives. Farnsworth Group is an employee-owned company with a rich 100-year history that offers an impressive benefits and compensation program in addition to excellent career development opportunities. We have the following position available:

**Sr. Mechanical Project Engineer / Building Commissioning / Mechanical Design  
Colorado Springs, Colorado**

We have an immediate opening in the Colorado Springs, CO office for a Sr. Mechanical Project Engineer. This is a great opportunity for an individual to be an integral part in the success of our operations, in this region and as a company. The position entails supporting and scheduling of staff, handling day to day operations and other responsibilities related to building design, commissioning and retro-commissioning projects in Colorado and across the nation for a wide variety of clients and facility types.

**Specific Requirements include:**

- BS in Mechanical or Architectural Engineering
- 10 years minimum of progressive experience in facility design, construction and/or operation
- Professional Engineer (PE) Licensed in the state of Colorado or ability attain CO license within 3 months.
- Previous building commissioning experience as defined by ASHRAE Guideline 0, preferred.
- Previous LEED® and/or sustainable design project experience, preferred
- Certified Commissioning Authority, CxA is preferred
- Ability to manage several projects simultaneously
- Strong verbal and written skills
- Strong background with Microsoft® Office, Project and Sharepoint
- Some travel and overnight stay may be required.

**We offer a competitive salary and benefits program that includes:**

- Medical/Dental Plans
- Prescription Drug Program
- Vision Plan
- 401(k) with Company Match
- Tuition Reimbursement
- Flexible Spending Account
- Time-off Benefits

**For immediate consideration:**
